

Norsk-Italiensk Handelskammer
Camera di Commercio Italo-Norvegese

Dear Members and Friends of the Italian-Norwegian Chamber of Commerce (NIHK),

Here comes our first News Letter for 2011!

I would like to begin by presenting some new members who have recently joined our organization.

Please welcome (in alphabetical order):

- Annamery: An Italian company producing unique and innovative brush-cleaning machines for hairdressers. www.annamery.com
- Filotea Srl: An Italian company producing pasta following ancient and traditional recipes from the Marche region, can be found on www.filoteasrl.com
- Manzetti Fabio: The founder and CEO of a consulting company specialized, among others, in training programs in coaching, leadership and talent development. www.fm-group.eu
- Renzini Gruppo: An Italian company from Umbria specialized in cured & cooked ham and "salumi" delicatessen. www.renzini.it

As your dedicated business partner, the NIHK is always keen to receive your requests, business proposals, needs and suggestions for the next meetings or events you wish to organize together with us. Feel free to contact us at mail@nihk.no

The NIHK will attend Smak 2011 (February 8th – 11th) at the Trade Fairs building facility in Lillestrøm. Smak 2011 is one of the most important Norwegian exhibition in the grocery, food & drinks, catering equipment, restaurant, wine & liquor industry. Please feel free to contact us should you need additional information.

Buon Anno!

Godt Nytt År!

Sincerely,

Camera di Commercio Italo-Norvegese/Norsk-Italiensk Handelskammer
Board of Directors
