Camera di Commercio Italo-Norvegese

Dear Members and Friends of the Italian-Norwegian Chamber of Commerce (NIHK),

First of all I would like to take the opportunity to inform those of you who have not yet confirmed your presence at the "Get Together" meeting on the 10th of November to kindly do it ASAP due to the limited space in the meeting facilities. I hope all of you have received the invitation and to see you soon. You are welcome to extend this invitation to Norwegian companies who have business activities in Italy. In this case we kindly request you to send an email to rd@nihk.no with the participants' details.

Please see below a list of ongoing activities:

- The NIHK visited many companies at various fairs at Lillestrøm Norges Varemesse and have made many interesting contacts among the exhibitors.
- We are expanding our network in Italy through several chambers of commerce with whom we collaborate on specific projects and customer requests.
- We are strengthening our relation with the EU Chambers of Commerce in Norway with the aim being to share information related to our activities in order to improve our services.
- We are working towards an official acknowledgment from the Italian Ministry of Economical Development that will give us admission to the Italian chambers of commerce abroad.
- The NIHK has developed a promising cooperation with Antonio Bandini, the newly appointed Italian ambassador for Norway.

We would like to point out to our members that the new ICE report "Italy in the world economy" available for downloading at the following link http://www.italtrade.com/italy/world_market08.pdf and a link containing a comprehensive list of the Italian trade fair system <http://www.aefi.it/Aefi/site/en/calendar/calendar>
